

Making a Splash Rain Barrel Initiative

**The Village of Silverton is looking for Silverton residences interested in receiving a
FREE RAIN BARREL!**

RAIN BARREL INITIATIVE

Rain barrels are becoming a popular household item as people start to consider water conservation and local food production. The Coca-Cola Company has started to re-purpose their food grade syrup barrels and turn them into **rain barrels—45 gallons, 39” high, 23” wide**. The **Village of Silverton is partnering with the Village of Slocan** to offer our communities’ rain barrels to build on previous year’s initiatives as a participant in Columbia Basin Water Smart water conservation initiative by the Village of Silverton. The Coca-Cola Company has started to repurpose their syrup barrels into rain barrels. If you are interested in participating in this initiative and would **like a FREE rain barrel**, please contact the Village Office to reserve yours.

This is a first-come-first-serve initiative.

Pick up time is SEPTEMBER 28, 2017, between 1 – 3pm

WHO IS IT FOR?

ANY SILVERTON RESIDENCE INTERESTED IN WATER CONSERVATION.

UNTIL DEMAND IS KNOWN, THERE IS A LIMIT TO ONE PER RESIDENCE.

Please contact the Village office at 250-358-2472, helliott@silverton.ca, or stop by the Village office during regular business hours to sign up for this great initiative!

Be sure to not miss out!

Come by the Village Office and see what the splash  is all about!

We are pleased to continue to be proactive with water conservation in the Village of Silverton.
