REQUEST FOR QUOTE(S)

Edgewood TS Upgrades Burton TS Upgrades Rosebery TS Upgrades

Issued: September 7, 2018

Closes: September 20, 2018

The Regional District of Central Kootenay (RDCK) has three separate transfer stations requiring upgrades.

- The **Rosebery Transfer Station** needs to be upgraded to allow room for an additional waste collection bin, with safety railings manufactured and installed to match the existing structures on site.
- The **Edgewood Transfer Station** needs upgrades including a change in layout and traffic at the site, creation of lock block storage areas, and the manufacture and installation of safety railings.
- The **Burton Transfer Station** needs upgrades including a change in layout and traffic at the site, creation of lock block storage areas, tree removal, and the manufacture/installation of safety railings and a gate.

Request for Quote document can be found on the RDCK's website:
