

# Be Prepared this Wildfire Season: Develop your Farm or Ranch Wildfire Preparedness Plan

**You are invited to a VIRTUAL WORKSHOP to develop your Farm/Ranch Wildfire Plan  
Tuesday April 12<sup>th</sup>, 2022  
9 am to 11 am Pacific Time / 10 am to 12 pm Mountain Time  
Virtual Session via Zoom**

Agricultural producers in the Kootenay and Boundary regions are encouraged to join this interactive webinar to develop a customized wildfire plan using the Farm/Ranch Wildfire Guide and Workbook. Download resources [here](#).

## Session Highlights:

- Walk through the modules of the Farm/Ranch Wildfire Plan Guide and Workbook
  - why a farm/ranch wildfire plan is important
  - understanding wildfire threat and impacts
  - creating a farm operations map, livestock relocation planning, creating fuel breaks and using sprinkler protection
  - FireSmart principles
- PLUS find out about opportunities to receive one-on-one support (virtually or in person) to help complete your plan and speak with FireSmart and emergency management experts following the session.
