NOTICE

July 9, 2024

The Village Public Works staff will be temporarily shutting off water mains over the course of the following days:

Wednesday, July 10th – Friday, July 19th, not including weekends

Between the hours of 9 am and 2 pm

Different areas of the community will be affected at various times. We expect the shut offs to be in place for less than one hour at any given time.

The purpose of the temporary shut offs is to isolate and identify water valves to update municipal records and be able to conduct efficient repairs.

Please contact the Village Office for any questions or concerns.
